Become an AHNA Member and Help ensure that the Hill stays great!

For more than 25 years, the Asylum Hill Neighborhood Association has served as the NRZ that empowers and connects residents and other stakeholders to improve the quality of life in our neighborhood. During this time, AHNA has worked with neighborhood leaders, non-profit organizations, faith-based institutions, local government and area businesses to:

- **Redevelop the Aetna/Comet Diner**
- **Strengthen the Laurel-Woodland Historic District**
- **Organize annual clean-ups in Asylum Hill.**
- **Flower plantings along Farmington Avenue and throughout the Hill.**

AHNA is focusing its energies over the next several years on these 3 priorities:

- **Economic Development:** to ensure that we have a vibrant small business district on Farmington Avenue and throughout the neighborhood.
- **Housing:** to ensure quality, affordable housing exists in Asylum Hill, increase homeownership, and support housing justice by creating a Housing Co-Op owned by the tenants.
- **Public Safety:** to ensure that we have a safe, pedestrian friendly and inviting neighborhood.

AHNA needs support from all Asylum Hill stakeholders, including its non-profit organizations, faith-based groups, and businesses. AHNA is committed to your success, but we need your volunteer talents and financial assistance to be successful ourselves.

Help us help you by becoming an Organizational member this year!
